Aloha Senator Baker,

Thank you for an opportunity to express my support for Julie.

We met at Queen's Medical Center during orientation for new hires, on July 5, 1994. Julie was the only person in the auditorium of new employees who stood to introduce herself. At that moment, I knew I wanted to be friends with her. Her simple act of standing up told me a lot about her: She had respect for herself and others, she was confident, unique, and was not afraid to be different.

If I had only one word to describe Julie, it would be TRUE. She is true to herself, and everyone she comes in contact with. Attributes that make her an excellent candidate for this position include: being focused, determined, experienced, dedicated. Julie is a joy to be around. Her zest for life and her continual striving for excellence in everything she does is inspiring.

As she "stood up" in orientation, she will stand up for the people of Hawaii. She is a superb leader. As a Hawaiian, a resident of Hawaii and as her friend, I can wholeheartedly say she is the best candidate for this position!

You are welcome to call me at 808 542-6942 should you have any questions.

Sincerely,

Maile Andrus-Price, RN, BSN, HNB-BC, LMT
